Ponte de Lima and the Pilgrim's Way

FROM €2,250 PER COUPLE

Ponte de Lima is a beautiful village in the Lima Valley which dates back to 1125. Apart from its beauty it is famous for its Roman Bridge. It was originally a Roman settlement on the road from Braga to Santiago de Compostela.

Santiago de Compostela is of course famous as the final destination on the Pilgrims Way known in Portugal as the Way of St James. That walk commences in Porto through Ponte de Lima and from Ponte de Lima there is another 154 kilometres to go.

It is a beautiful part of Portugal. Its landscape, its buildings and its culture allow the visitor a taste of the authentic Portugal. The National Park Peneda – Gerês is one of the most beautiful in Portugal.

And for those with modern tastes wonderful accommodation and restaurants are all available.

In this tour we hope to offer you a taste of the old and the new.
