Experience an insight into Portuguese rural life in the delightful village of Vouzela. Your accommodation is in a beautifully restored 11 room boutique hotel. A double room with en suite. Your hosts Maria and Antonio will look after you generously.

The town of Vouzela is the headquarters of the Vouzela municipality. 30 minutes from Viseu and Lamego and an hour from Portugal's third largest city Coimbra. Vouzela was first settled in the eleventh century, although some diggings show evidence of Roman presence in early AD. A charming and beautiful town. Regular markets are of interest. And if you time your visit you might enjoy the town's annual sweets festival at the end of July or the Castelo Music Festival in the first week of August.
